

Pay and benefits

Find out about the pay and benefits of a health career.

The pay rates and benefits you'll receive may differ, depending on your role and your employer.

For example, Agenda for Change [1] is a national pay system for all NHS staff, with the exception of doctors [2], some dentists [3] and most senior managers.

Terms and conditions in the private and voluntary sector differ.

Click on the links below to find out more about:

- pay and benefits in the NHS [4]
- pay rates for local government [5]- which may also apply to those employed in third sector (voluntary and community sector) public health roles
- pay information specifically for doctors [6]
- pay information specifically for dentists [7]
