Download (Dr Denise Tritton - Achieving a Balance as a Speciality Doctor.pdf - 38.39 KB) [1]

Transcript for our film on Dr Denise Tritton. She talks about her work commitments and the needs of her family. Having set working hours and no on-call are important to her.

Denise is an Associate Specialist in Paediatric Oncology [2] and Haematology for the Oxford University Hospitals Trust working 3 days a week and is also the SAS Tutor for the Trust, actively supporting other SAS doctors in their careers.
