

Discover GP nursing with our new video

A short video exploring the difference general practice nurses make to patients' lives is now available on our YouTube channel.

Filmed in Cambridge, and produced by Health Education England and Cambridge and Peterborough CCG, the film shows what it's like to work as a general practice nurse. It also aims to make the role a more appealing career option for registered and student nurses.

Want to learn more?

General practice nurses are an important part of delivering care in the community and are a vital part of the primary healthcare team. [Visit our role page](#) ^[1] to find out more about working and studying to be a general practice nurse.

You can also download a copy of our [nursing booklet](#) ^[2] and [infographic](#) ^[3] for more information.
