

Doctors

If you have a passion for improving people's lives and the determination to reach the highest standards, there's a wide range of career opportunities open to you as a doctor.

There really is something for everyone and you can follow a path to one of many specialties - from working in a hospital as a specialist doctor or surgeon, to being based in the community as a GP.

In this section you will find everything you need for planning and developing your career as a doctor.
