Roles in NHS management

If you like the idea of a career in management, working in the NHS offers unrivalled opportunity and variety. You can reach the very top of the NHS career pathway.

- ## Clinical manager

  You'll lead multidisciplinary team of healthcare professionals to deliver high-quality patient care

  [1]

- ## Estates manager

  You'll be responsible for the making sure that our buildings are running so care can be delivered safely and effectively

  [2]

- ## Finance management

  You'll be responsible for our money and budgets, making sure it is allocated and spent appropriately for the good our staff and patients

  [3]

- ## General management

  You could be responsible for a service, a department or a multi-million pound budget in a hospital trust, primary care or mental health setting

  [4]

- **Human resources (HR) management**

  You'll be responsible for our people, including recruitment, staff development and training

  [5]

- **Operational management**

  You'll make sure our frontline staff have what they need to deliver effective patient care through the planning and delivery of services

  [6]

- **Practice manager**

  You'll manage the business of a GP surgery, making sure that patients are at the heart of everything it does

  [7]

- **Project manager**

  You'll design, develop and deliver different types of change projects and programmes, such as new products and services and digital technology

  [8]
