Download a range of resources to help promote the allied health professions on social media as part of our campaign to encourage more applications to nursing and allied health professions.

Resources are currently included for:

- therapeutic radiography
- orthoptics
- speech and language therapy
- occupational therapy

Further resources for other AHPs including podiatry and operating department practitioner will follow. For more information on the campaign visit our campaign page ^[2] and our newpage ^[3].
