Hosted by: Northumbria University

Type: Open day

Region: North East

Find out more: [Northumbria University Open Day](#) ^[1]

Open Days are a great way for you to get a feel of the University, the city of Newcastle upon Tyne and the course you are interested in.

Alongside campus tours, finance information, application advice and accommodation open house visits, you can chat to our staff and current students about the course and what it is like to study at Northumbria. Our Open Days offer you the chance to find out more about the subjects you could study at Northumbria, meet academic staff and current students, and look around the teaching facilities.

Take a tour of the Campus and visit our award winning library, or look around Sport Central with its state of the art sporting facilities. Speak to our Accommodation team and have a look around some of the halls of residences that we offer, virtually or in person.

Our Admissions and Student Support & Well being teams will also be on hand to answer any questions that you might have about entry requirements, student finance or disability support; and staff and current students from across the University will be available throughout the day to tell you everything you need to know about being a student at Northumbria.
