

Once a nurse, always a nurse - posters and leaflets

Categories:

Nursing

Type:

Careers leaflet

Download (Posters and leaflets.zip - 82.9 MB) ^[1]

These are print-ready, so you can simply print them off. Use the flyers and leaflets to hand out wherever and whenever, while the posters are perfect for local events. The flyers, leaflets and posters come in two versions, one which allows you to add your contact details and adapt the copy to meet local needs. We would recommend getting professional communications and design support when adapting these assets.
