National Career Leaders Conference [1]

This annual event for career leaders is being held on Thursday 30 June at the University of Derby, Kedleston Road Campus. You can visit the NHS Health Careers stand to ask your questions about careers in health.

The theme of the conference is 'Deepening strategic careers leadership'. Expert practitioners will invite attendees to join thought-provoking discussions during keynote and panel sessions and workshops throughout the day. There will also be an exhibition, which will provide an opportunity to engage with organisations supporting the careers sector.

Visit the NHS Health Careers stand to ask your questions about over 350 careers available and the routes in.

This conference is designed to support the learning, information sharing and professional development of careers leaders working in secondary schools, FE and SEND schools and colleges, enterprise coordinators and careers advisers.
