[What Career? Live](#) <sup>[1]</sup>

What Career? Live is a national careers event for 15-19 year-olds who are considering their options, whether an apprenticeship, training or university.

Visit the NHS stand to talk to NHS staff about how to get into one of over 350 careers available in the health service, such as grades needed and top tips for work experience. There will also be a careers talk on the main stage to provide labour market information and routes into different NHS careers.
