[Sign up today, see you there!](#) <sup>[1]</sup>

This is an opportunity for students, aged 11-18, to hear from a panel of NHS staff and students.

In this webinar the NHS Health Careers and Unifrog team will be chatting to student mental health nurse, Abdul, paediatric physiotherapist, Chloe and medical student, Takanayi as they share their career journeys. They find out what it's like to work and train in a healthcare profession and have the chance to ask them questions.
