Unifrog WEX Teacher Conference [1]

This conference, hosted by Unifrog, is aimed at teachers and focused on work experience and placements. The NHS will be taking part in the employer panel and have a stand during the networking sessions.

There will be three best-practice sessions including an employer panel (with includes a work experience lead from the NHS), an in-depth look at the Unifrog Placements tool, and an interactive session with the CEO of the CDI on employability skills, career readiness, and links with employers. There will also be a networking opportunity with employers, including the NHS, who can tell you about opportunities and how work experience can benefit your students.
