

NHS Health Careers template events brief

Type:

Career planning

[Download \(Template events brief for volunteers.docx - 85.33 KB\)](#) ^[1]

As part of our offer to support NHS organisations with their careers events, we have made a template brief for volunteers on stands or any speakers.

It can be adapted for local use, allowing you to make sure volunteers have all the information they need for your events, including any resources available, FAQs and practical information such as where they need to be and at what time.
