

NHS Health Careers supporting guidance for local careers events

Type:

Career planning

[Download \(Supporting guidance for local careers events final Nov 23 version.pdf - 8.42 MB\)](#) ^[1]

This guide from NHS Health Careers can support you to run successful local careers events.

In this guide, we will outline the resources we have available to offer careers information and how to use them. There are also some top tips for your events as well as some examples of good practice to help your events meet their objectives.
