Join us as we chat to current healthcare students and find out more about their journeys. And bring your questions for them too!

Join us as we chat to an adult nursing student and a podiatry student and find out more about their journeys. We'll be covering applying through Clearing, preparing for interviews and funding arrangements. And we'll also be finding out more about what it feels like to be a healthcare student and part of the healthcare team. You'll have the opportunity to ask them your questions too so come prepared!
