[What Career? Live London](#) <sup>[1]</sup>

What Career? Live is a careers event for 15-19 year olds who are exploring their options once leaving school or college.

Visit the NHS stand on 15 and 16 November 2024 at Olympia London to ask us questions about the more than 350 NHS careers and the routes in. We are also hosting careers talks on how to get started in an NHS career, the funding available, and finding courses, apprenticeships and job vacancies.
