

# Training and development (decontamination service managers)

Training for managerial positions in decontamination services is available at various levels

## Training and development

The IDSc provides a [Technical Certificate training programme](#) <sup>[1]</sup> at level 3, aimed at supervisor and team leader level.

- **Continuing professional development**

No matter what level you are working at, as part of your development you will be expected to do 'Continuing Professional Development' (CPD) to show that you are keeping yourself up to date with the policies and procedures in your area of work.
