

E-learning for healthcare

Find out how NHS staff can access free on-line training resources for healthcare.

What resources are available?

- programmes on a wide range of subjects from acute medicine to workforce development
- interactive training sessions with images, video and audio clips
- real-life scenarios and case studies

How do I access them?

You need to register for each individual project to access the corresponding resources.

Want to learn more?

- Find out more about the training programmes on offer and register to get started [1]
