

If you haven't made  
up your mind about  
your career...

# We just want to say: there's a job for you in the NHS when you're ready

Whatever your interests and options,  
you can choose from more than 350  
different careers.

Whether you'd rather sit in front of a  
computer or a patient, whether you  
go down the degree route or not,  
we'll be here for you.

**One NHS. Your future.**
