Personalise the website with your interests and favourite content.

Career options include:

Ambulance team
Dental team
Healthcare science

Health informatics
Management
Medicine

Nursing and midwifery
Public health
Pharmacy

“After 11 years as a project manager, I decided to switch careers and become a nurse. Being a nurse is amazing. I love seeing my clients get better.”

Sarah Trute, Community learning disability nurse specialist

Course finder

Find undergraduate and postgraduate courses leading to clinical careers in health. It also includes information on return to practice courses for nurses.

Key benefits:

- + Clinical courses that may lead to professional registration
- + More than 1,000 courses across the country to look through
- + Up-to-date course details including information on who to contact

Compare health roles

It's not all about doctors and nurses. Explore hundreds of roles in health – you're sure to find one that interests you. And use our 'compare roles' feature to find out which one is right for you.

Key benefits:

- + Full list of health roles
- + Real-life stories
- + Video clips

Health careers overview

All the information you need about a career in health – from how the sector is structured to the sort of people needed and where you might work.

There's also information on:

- + Pay and benefits
- + How to get a job
- + Frequently asked questions

Career planner

Tools, tips and exercises to help you take the next step in your career or support others in theirs.

Key benefits:

- + Application and interview guidance
- + Raise your profile
- + Social media tips

Shape your future with the new Health Careers website.
